Conference (WTDC-14)**
Dubai, 30 March – 10 April 2014

Document WTDC14/23-E
5 February 2014
Original: Russian

SOURCE: ITU Member States, members of the Regional Commonwealth in the field of Communications (RCC) (See Annex 1)

TITLE: RCC common proposals for the work of the conference

Pursuing the aim of strengthening international cooperation in telecommunications, the administrations of the RCC Member States have drawn up these proposals, which include CIS regional initiatives, considering that a balanced and agreed policy for the development, implementation and use of modern telecommunication and ICT facilities, for reducing the digital technology divide in areas including broadband access, standardization and security, and for establishing an enabling environment and building capacity in the area of ICT, will enable the countries of our region to advance successfully towards the establishment of an inclusive, development-oriented information society in which the interests of people are considered to be of paramount importance.

Specific proposals are set out in the addenda to this document.

The table contained in the annex contains a list of the Member States of the Regional Commonwealth in the field of Communications (RCC) which support these proposals.
