

PLENARY MEETING

Document 24-E
13 January 2014
Original: English

Note by the Secretary-General

**CANDIDACY FOR THE POST OF MEMBER OF
THE RADIO REGULATIONS BOARD**

Further to the information published in Document 3, I have pleasure in transmitting to the Conference, in annex, the candidacy of:

Mr Stanley Kaige KIBE (Republic of Kenya)

for the post of member of the Radio Regulations Board.

Dr Hamadoun I. TOURÉ
Secretary-General

Annex: 1

ANNEX

Our Ref: CCK/CPA/390

13th January 2014

Hamadoun Touré
Secretary General
International Telecommunication Union
Place des Nations
1211 Geneva 20
Switzerland

Dear *Sir,*

SUBJECT: CANDIDATURE OF MR. STANLEY KAIGE KIBE FOR ELECTION TO THE ITU RADIO REGULATIONS BOARD (RRB) DURING THE ITU PLENIPOTENTIARY CONFERENCE 2014

Reference is made to your 21st October 2013 Circular referenced CL-165. We have the pleasure to inform you that the Republic of Kenya will field a candidate to the Radio Regulations Board (RRB). In this regard, therefore, we wish to submit the candidature of Mr. Stanley Kaige Kibe for re-election to the RRB.

Mr. Kibe is currently a serving member of the RRB, and Chairman for the period 2013/14, having been elected at the Plenipotentiary Conference in 2010. Mr. Kibe is recognized as a national and international expert with extensive experience and knowledge in the area of radio-communications. He equally possesses strong professional skills in sectoral technical and regulatory matters. Mr. Kibe has been actively involved in the activities of all three ITU sectors, in particular ITU-R over the last 27 years. He has comprehensive experience in the area of telecommunications, and has continually demonstrated a high level of commitment to his responsibilities both locally and in the international circles.

The Government of Kenya has endorsed Mr. Kibe's candidature for the RRB and we also wish to express our support for the same. This information is transmitted for your further action in line with the ITU Rules and Regulations. Attached is his profile for your reference and use.

Please accept, Secretary-General, the assurances of my highest consideration.

Yours *Sincerely*

FRANCIS W. WANGUSI MRS

**Plenipotentiary Conference of the
International Telecommunications Union**

Busan, Korea, 20 Oct – 7 Nov 2014

**Candidate of the Republic of Kenya
for re-election to the
ITU Radio Regulations Board**

STANLEY KAIGE KIBE

PERSONAL DETAILS

Name: KIBE, Stanley K.
Contact: P.O. Box 24443,
Karen 00502,
Nairobi. KENYA
Telephone: Office: +254-20-4242245, 4242445
Cellular: +254-722-510013, +41-79-104 6536
Email: kibe@cck.go.ke
Date of Birth: 17th May 1955.
Nationality: Kenyan.
Marital status: Married, three children.

PROFESSIONAL CARRER TRACK

August 2005 to date: Director, Frequency spectrum Management,
Communications Commission of Kenya,
2005 Director, Licensing Compliance and Standards,
Communications Commission of Kenya
1999 – 2005 Assistant Director, Standards, type approval and numbering
Communications Commission of Kenya
1986 – 1999 Senior Executive Engineer, Frequency Spectrum Management
Kenya Posts and Telecommunications Corporation
Communications Commission of Kenya
1984 – 1986 Senior Executive Engineer, Projects Engineering, Transmission and Radio
Kenya Posts and Telecommunications Corporation
1982 – 1984 Executive Engineer, Major Works Construction/Transmission and Radio,
Kenya Posts and Telecommunications Corporation
1979 – 1982 Pupil Engineer, Kenya Posts and Telecommunications Corporation

- 2004: Head of delegation to the ITU World Telecommunication Standardization Assembly (WTSA-04) (Florianopolis, Brazil).
- 2005: ITU Telecommunication Standardization Advisory Group (TSAG) meeting.
- 2006: Deputy head of delegation to the ITU-R Regional Radiocommunication Conference for planning of terrestrial digital television broadcasting in Region 1 and parts of Region 3 (RRC-06). Chairman of Committee 4 of Regional Radiocommunication Conference for the revision of the Geneva 1989 Agreement (RRC-06-Rev.GE89)
- 2007: Radiocommunication Advisory Group (RAG) meeting (Geneva).
Elected vice-chairmen of the ITU-R Study Group 1 at the ITU Radiocommunication Assembly (RA-07). Head of delegation to the 2007 ITU World Radio Conference (WRC-07) (Geneva).

2010:	Elected as a member of the ITU Radio Regulations Board.
2012:	Attended World Radio Conference in the Capacity as an elected member of the RRB
2013:	Vice-Chairman ITU Radio Regulations Board.
2014:	Chairman ITU Radio Regulations Board.

ITU ASSIGNMENTS

1991 – 1994:	Participated in the ITU project of the development of the ITU master plan for the development of maritime radiocommunication in Africa.
2006 – 2007	<p>Contracted by the ITU under Special service Agreement No. 9RAF/01/056.1150 C6 for assistance in reconstruction of the nation of Somalia after 13 years of civil war. The terms of references of this contract included, <i>inter alia</i>:</p> <ul style="list-style-type: none">i). Preparation of policy and regulatory framework for spectrum management in Somalia.ii). Preparation of frequency allocation and coordination procedures in Somalia.iii). Development of the first draft of Somalia's National Table of Frequency Allocationsiv). Give proposals on methodologies of licence fees payable for various Radiocommunication services.v). Development of an action plan for computerisation of frequency management.vi). Design the frequency licences as well as the structure of the national frequency register.vii). Definition of the organisational structure and job descriptions of Somalia's frequency management agency.

SUMMARY PROFILE

Mr Stanley K. KIBE has 34 years of experience in the field of telecommunications, of which 28 years have been in the field of spectrum management. Since 2005, he has served as the Director/ Frequency Spectrum Management in the Communications Commission of Kenya, the ICT regulatory agency in Kenya. He has been the key person in Kenya's preparation for the ITU World and Regional Radiocommunication Conferences, and has attended and actively participated in these ITU meetings as radiocommunication meetings within the East African Community.

Mr Kibe has attended meetings of the ITU Radiocommunication Advisory Group (RAG) as well as the Telecommunication Standardisation Advisory Group (TSAG). In 1990, he participated in the then CCIR group of administrations and organisations participating in the work of CCIR, on the

future working methods and organisations of CCIR. He participated in the work of the Voluntary Group of Experts (VGE) who studied and recommended the simplification of the Radio Regulations, and has attended various ITU seminars and meetings.

Mr Kibe was instrumental in the development of the Kenya National table of Frequency Allocations, as well as the modernisation of the country's radiomonitoring and direction finding facilities from 1996 to date.

He has on many occasions resourced on matters of spectrum management and as well as been a panellist and presented papers in many engineering and industry forums.

Mr Kibe has in the past consistently followed the work of ITU-R Study Group 1, and was the vice-chairman of this Study Group from 2007 to 2010.

Mr Kibe is member of the ITU Radio Regulations Board following his election to the position in the Plenipotentiary Conference of 2010 (PP-10). Currently he is a Chairman of the RRB.
