September 18, 2014.

Candidature of India for Membership of the ITU Council and of
Mr. R.J.S. Kushvaha for the post of Member, Radio Regulation Board (RRB)

Excellency,

I have the honour to refer to ITU Circular letter No.165 regarding the Plenipotentiary Conference (PP-14) scheduled for October 20 - November 7, 2014 at Busan, Republic of Korea. I am pleased to officially inform that the Government of India has decided to present its candidature for:

- (i) re-election as Member of the ITU Council, and
- (ii) the candidature of Mr. R.J.S. Kushvaha, for election to the post of member Radio Regulation Board (RRB) for the term 2015-18.

2. The ITU and your office are familiar with the outstanding commitment of the Government of India and contribution in the working of the organization in an active and collaborative manner and its commitment to ITU objectives. The Government of India appreciates the sound work undertaken and achievements of ITU under your committed leadership. India along with other members of the ITU Council will continue to extend its full support of the organization in order to enhance the scope of its contribution to development of telecommunications globally.

3. Mr. Kushvaha, Wireless Adviser to the Government of India, is a candidate for the post of Member, RRB, for which too elections will be held at the PP-14 at Busan. Mr. Kushvaha has more than 34 years of experience in Radio Spectrum Management and Radio Regulatory Organization in the Department of Telecommunication, Ministry of Communication. He has participated in various ITU Asia-Pacific Telecommunity (APT) and various other international telecommunication fora for more than 20 years. He has also presented a variety of proposals on Radio Spectrum Management and Radio Regulatory aspects and also delivered lectures and keynote addresses in many national and international conferences and institutions. We feel that, if elected, he would be able to play an effective role in furthering ITU objectives and development of International Communication Technologies (ICTs) universally. He was Vice Chairman, ITU Special Committee on Regulatory/Procedural Matters, 2007-2011 and current cycle. The CV of Mr. Kushvaha is enclosed.

4. The candidature of India for re-election to the ITU Council and that of Mr. Kushvaha for Member RRB from Region-E (Asia and Australasia) may kindly be circulated among all member countries in the context of elections at the forthcoming Plenipotentiary Conference at Busan, South Korea.

With assurances of my highest consideration,

(DILIP SINHA)

Dr. Hamadoun Touré,
Secretary General,
International Telecommunication Union,
Geneva.
